## MOTORISED HOLLANDS

Step into the future and automate your Holland blinds. Motorisation was once a luxury but has become an affordable convenience, thanks to ASAP's pursuit for affordable, high quality and new technology. Our motors have extra torque, are easy to program and run smoothly. They can be fitted to a variety of blinds and come with a full warranty.

## PANEL GLIDES

Designed as a modern alternative to vertical blinds, Panel Glides move effortlessly through multiple tracking channels with the use of a smooth operating wand that eliminates the need for chains and safety devices. ASAP manufactures Panel Glides to open at the left, right or centre, making them the ideal window covering solution for sliding doors and the perfect choice for a room divider.

## VERTICAL BLINDS

The most versatile solution for covering patio doors as well as most windows. Our extensive range of colours, styles, textures and designs is certain to enhance the décor of any room in your home. Provides privacy and cover from visibility, light and heat and offers control over open/closing angle of blind panels. Vertical Blinds are ideal within a commercial setting or residential development.

## SPECTRUM BLINDS

The revolutionary, honeycomb shape in our Spectrum Blind designs are proven to block sunlight and restrict heat transfer. The blind cells act as insulating chambers, trapping hot air from entering / exiting your dwelling - meaning you save on power bills. Easy to clean and operate, ASAP offer a huge variety of colours, styles, solid and translucent fabric options and trim available.

## TIMBER SHUTTERS

ASAP Shutters beautifully combine functionality, durability & practicality for window coverings. Providing light and heat control, whilst adding style and value to your home. Each shutter is custom made to your window or doors exact specifications and can also be used for doors or screenings. Shutters available in Aluminium and Timber materials, with many colours & finishes available.

## CURTAINS

Bursting with style, our collection of Curtains include a huge choice of beautiful fabrics and superb designs. The huge range of fabrics and colours, enable you to match accessories and details to suit your room decor. Curtains create the illusion of height and character to any room, whilst also providing a great option for blocking out sunlight and heat.

## ALUMINIUM SHUTTERS

Our Outdoor Aluminium Shutters allow for constant airflow and natural light while increasing the level of privacy and weather protection. We provide innovative and versatile steel window shutters for privacy, sun control and security for a range of applications and are custom designed to suit your home or building, and are manufactured using powder-coated aluminium.
